

Term: Summer April 2024

Willow Class

Dear Parents and Carers,

Welcome to the start of another new term – I can't believe we're onto the penultimate half term of the year! I hope that you had a relaxing and enjoyable Easter break - I am definitely ready for this exciting term.

Our learning characteristics this half term are determination and resilience, being respective active citizens as well as participation. Further information about Learning Pi will be coming out as it is currently being redeveloped.

This half term we are looking at **Civilisations** as our topic focus - in particular the Anglo-Saxons. This will be linked to our English work which is information texts and recounts.

Science work for this term will be learning about Living things and their habitats and Humans and Animals! In Maths, we are focusing on fractions, money, time, shape and statistics (the statistics will link in with our data collection in science too). In PE we will be learning a variety of athletic sports – running, sprinting, throwing, jumping, and hoping to improve our times and distances each time.

All children have their Times Tables Rock Stars login and I would really appreciate you supporting your child with the learning of these as it underpins many of the key concepts in maths; the programme is tailored to suit each individual and adapts to the answers they give. Year 4 have the multiplication tables check in June, so it will be a huge boost for them if they could work on them at home too.

All children have a pink reading diary and they should be reading at least 4 times a week at home and have this signed off in their reading diary by an adult – the school goal is for every class to have 80% of the class reading 4 times a week!

Please don't hesitate to contact us if you have any questions.

Kind Regards, Mrs Spencer

Weekly Events

Daily - Water bottles, sunhats (while the weather holds), coats reading book/reading record, snack

Tuesdays – Scouts

Fridays – PE

Important Announcements

Please can I remind you that we should not need to bring in any items from home – this includes rubbers, small toys etc. If there is a specific need, please speak with me.
