Yoxford History Group

A message from the History Group:

“Are you interested in the history of our village? Are you looking for a new activity to occupy you over the winter months? Then why not come along to one of our meetings & learn how you can help. Are you willing to do research? Or help with cataloguing donations to the village archive? Could you offer your services as a Technical Adviser? If you are creative, how about designing posters for our exhibitions? You can read about us & what we have achieved by looking at the Village Website. <https://www.yoxford.org.uk/>

Contact details are on the website.

Nature First Small Grants Scheme

Our local district councillor Julia Ewart has sent a link to a small grants scheme being offered by East Suffolk District Council, for groups to undertake environmental and community projects. The link can be found on the email.
