Autumn 2022 newsletter

Dear Parents and families

I hope that you have had a great half term break as we now head towards Christmas with alarming speed I thought it would be a good time to update you on what is happening at 1st Fressingfield Scout Group.

We have seen a steady rise in membership both in young people and also in the number of adults wanting to contribute something back to the community. We are at a point where our younger sections are filling up and we are operating some waiting lists – so more adults are always welcome. You won't regret it 😊

Yours in Scouting

It could be someone with previous community experience of taking meeting minutes

It could be someone who has recently joined the local community who would like to make new friends and get involved in an active group, or a long standing resident who wants to stay active in the vicinity.
